

Ford Pilot Program

Deeper insights into your Ford vehicle data

Geotab, in partnership with Ford Commercial Solutions (FCS), is now offering you the opportunity to pilot the **Geotab Integrated Solution for Ford vehicles**.

The pilot program will allow you to test the Ford embedded solutions complimentary for up to **90-days**, giving you a chance to experience Geotab's world leading platform while gaining:

- + Key insights about vehicle performance to help improve your business
- + Direct access to valuable OEM-grade vehicle data
- + Actionable insights with distilled data collected through Geotab

Who can participate?

Fleets with a Ford modem-equipped vehicle that are not already subscribed to a Ford data services program. Fleet customers must have a FIN (Fleet Identification Number) from Ford to enroll vehicles. You will need to submit a VIN list of 2019 or newer Ford vehicles for hardware validation to sales@bluearrowmail.com

How many vehicles are allowed in the pilot program?

For fleets that are 250 and under:
2 vehicles.

For fleets that are 250 and over:
up to 10 vehicles.
